

NEUROIMMUNE DETOXIFIER
OVER 80 PEER-REVIEWED STUDIES

PERQUE1

DETOX IN GUARD:

POWERFUL SUPPORT FOR NERVE AND IMMUNE CLEANSING

DETOX IN GUARD

WHY YOU NEED DETOX IN GUARD

In today's world, **PERQUE's** dynamic **Detox IN Guard** is more vital than ever. Toxins can accumulate and damage critical internal body systems, unless you have an active anti-toxin program.*

Over the past 50 years, more than 100,000 chemicals have been introduced into the environment. When you are exposed to these chemicals, your body must detoxify them. Toxins include 1) pollutants in the air, water, and soil; 2) toxic metals such as lead, cadmium, and mercury; 3) pesticides, herbicides, insecticides, fungicides, and fumigants. Further, food additives and preservatives can adversely affect nerve and immune function in many people. Any distress is a further "tax" on the system that **Detox IN Guard** can help relieve.*

Nerve and immune tissues become impaired as a result of this "toxic overload." **Excess toxins** sabotage delicate cell machinery, leading to **less endurance and energy, impaired immune function, and less resilience in dealing with everyday stresses and challenges.***

THE DETOX IN GUARD INNER CLEANSER

PERQUE Detox IN Guard

is a unique, exclusive formula that meticulously detoxifies the tissues involved in the immune and nervous systems. This combination of amino acids, lipotropic factors, and minerals effectively clears out the toxins that accumulate in the nerve and immune system tissues and cells.*

Plus: Detox IN Guard neutralizes excess cellular acid, thereby protecting cells against corrosion.*

Detox IN Guard effectively promotes resistance in four ways:

- 1) **Methionine, glycine, cysteine, and glutathione are potent nutritional detoxifiers** that also **reduce homocysteine levels and boost neuroimmune and cardiovascular health.***
- 2) **Choline and inositol improve cell communication and increase cells' defenses** against viruses and other infectious agents.*
- 3) **Ascorboryl palmitate** is a membrane-protective form of vitamin C.*
- 4) Energizing and alkalanizing co-factors help cells support optimal health.*

TWO TABLETS PROVIDE:

Vitamins

Vitamin C 64 mg.
(100% l-ascorbate, fully reduced, corn free)

Minerals (Elemental)

Calcium 100 mg.
(as citrate, fumarate, malate, and succinate)

Magnesium 200 mg.
(as citrate, fumarate, malate, succinate, soluble oxide, aspartate, and as C16 and C18 alkyls¹)

Amino Acids

Glycine 250 mg.

L-phenylalanine 100 mg.

L-methionine 150 mg.

L-cystine 100 mg.

L-cysteine HCl (anhydrous) 150 mg.

L-glutathione (99% reduced) 25 mg.

L-aspartate (magnesium aspartate) 26 mg.

Lipotropics

Choline (citrate) 200 mg.

Inositol (pure crystalline) 250 mg.

Ascorboryl palmitate 150 mg.

Cofactors (Kreb's salts for energy)

Citrate (calcium and magnesium) 144 mg.

Fumarate (calcium and magnesium) 144 mg.

Malate (calcium and magnesium) 144 mg.

Succinate (calcium and magnesium) 144 mg.

Vegetable fiber (organic croscarmellose) ... 524 mg.

Vanilla extract (organic, antioxidant) 2 mg.

¹from whole, untreated palm fruit and leaf

Typical Dosage

Best if taken 30 to 60 minutes before a meal.

Maintenance 1-2 tablets daily

Weight training/moderate stress ... 3-4 tablets daily

Maximum stress or chronic illness . . .5-6 tablets daily

Available in bottles of 60 and 180 tablets.

Note: Some mineral supplements report total mineral complex amounts, which are 20% or less calcium or magnesium. This makes **PERQUE Detox IN Guard** equivalent to 500 mg. of calcium and 1,000 mg. of magnesium.

SYMPTOMS OF HEAVY METAL TOXICITY

Chronic exposure to heavy metals is a growing health problem in industrialized societies. These metals include lead, mercury, antimony, chromium, cadmium, and arsenic.*

Heavy metal toxicity is characterized by fatigue, musculoskeletal complaints, mood swings, anemia, neurological problems, hypertension, kidney and liver dysfunction, endocrine problems, and immune dysfunction.*

Heavy metals are excreted through the urine, feces, and sweat glands. But when these detoxification routes aren't working right, you may experience toxic symptoms.*

1. Bock S: Diagnosis and treatment of heavy metal toxicity. *International Journal of Integrative Medicine* 1999; 1(6): 7-12.

RECOMMENDED USE

Occasionally, people have acquired a substantial toxic burden. Their detoxification cellular systems are in such disrepair that, as **PERQUE Detox IN Guard** starts to "clean house," the mobilized toxins cause people to feel queasy. To begin detoxification:

- Start slowly with just one (1) or one-half (1/2) tablet of **Detox IN Guard** per day.
- Double the dose every three (3) weeks or so.
- Drink at least eight (8) glasses of water daily and avoid caffeinated, sugared, and artificially sweetened beverages.

By slowly increasing the use of **Detox IN Guard**, sustainable good health is more easily achieved.

THE PERQUE GUARANTEE

Like every other **PERQUE** product, **Detox IN Guard** comes with a 100%, unconditional, money-back guarantee—the strongest guarantee in the natural health industry. This unique guarantee provides the assurance that:

- Every **PERQUE** product provides 100% potency and activity for its entire shelf life.
- Every ingredient used in a **PERQUE** product is pharmaceutical-grade or better.
- Full label disclosure is provided for all **PERQUE** products—no hidden ingredients.
- Every **PERQUE** product is activated with the same transporters that are used by nature and in food to ensure full bioavailability. The biologically preferred form of an ingredient is always used for enhanced activity.
- Free of citrus, MSG, wheat/gluten, corn/zein/starch, dairy/casein/whey/milk derivatives, yeast, soy, sulfate, phosphates (other than coenzymes), and preservatives.
- No genetically modified organisms (GMOs).
- 100% vegetarian formula.
- Unique post-production assays and clinical bioassays assure product integrity.

YOUR QUALITY ASSURANCE

Every **PERQUE** product is produced following or exceeding the FDA's pharmaceutical GMP (Good Manufacturing Practices) regulations.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
